Using a public or shared computer? Be sure to sign out when you've finished and close all windows to end your session.

Update: Adding users to a visit/proposal

Users can now only be added by others to a visit/proposal once their account has been activated. In order for you to be able to add someone to a visit/proposal, they must have:

- Created an account
- Ticked the box to allow others to add them to Proposals and Visits
- Activated their account

If you are unable to add someone to a visit or a proposal, please check in the first instance that they have completed these steps.
